Be sure to notice our **NEW CLASSES**

Knitting & Crochet

Knitting 101/ Intro to Knitting - If you have no knitting experience, or have tried a few times but quit because that scarf was just taking too darn long and you got bored, then this is the class for you! This class will teach you the basics, and together we will create something small, manageable and fabulous. Not only will you leave with a finished project, but you'll have the motivation and the tools to keep knitting! *Classes are \$75 (not including materials) for 4 weeks. Choose a day of the week and start your 4-week session whenever you like—provided there is room in the class. Please call to sign up!*

NEW Mondays Knit 101/102—11am-1pm
 Tuesdays Knit 101/102—6-8pm
 Thursdays Knit 101—6-8pm
 Saturdays Knit 101/102—11am-1pm

NEW **Beaded Knitting**—Add something extra to your stitches! Learn how to add beads while knitting using a crochet hook. Choose from the popular Beaded Eyelet Shawl or the Jeweled Cowl (on Ravelry) for a smaller project. *This two session class runs Sunday January 22 & February 5, 12-2pm. \$20 not including materials.*

NEW **Wednesday AM Knitting Help**—Need some guidance with a new pattern? Finding yourself stuck in a project? Bring your knitting and questions to this daytime help session. *Wednesdays 10:30am-12pm. \$10/session. (Starts In January)*

Beginning Socks—Learn basics and beyond of sock knitting. In this one session class, students will be working on a top-down baby sock. The small scale of the project will afford the opportunity to work cuff, heel, and toe in a small project. Materials needed: small amount of DK weight yarn and set of US 4 double-pointed needles. Materials may be purchased at Stitch House. *Saturday January 7, 3-5pm. \$20*

Toe Up Socks—An alternative to the cuff down sock, the toe up sock offers you the opportunity to try on your sock as you go for a perfect fit. *Saturday January 14, 3-5pm. \$20*

Magic Loop Socks—Learn to create a sock on one long, circular needle. This technique is perfect for those who dislike juggling several double pointed needles at once. The magic loop technique can also be used for mittens, sleeves, and small detailed projects such as toys or dolls. *\$20. Sat. Jan. 21, 3-5pm.*

Pre-Teen Knit Ages 10-12 are invited to learn to knit or refine their skills. This class will teach the basics and together we will create a fantastic project. Not only will you leave with a finished project, but you'll have the motivation and the tools to keep knitting! After this class they'll have the skills to make great gifts for all their friends. Kids will learn how to understand and follow pattern instructions, cast on, and bind-off. *\$60 including materials.*

Mondays January 9, 16, 30, 4-5:30pm.
Mondays February 6, 13, 27, 4-5:30pm.

Drop-in Help - Learn to knit or get help with a tricky part of your current project. Space is limited to no more than 2 people per session. Call to reserve your time slot today! *Daily before 5 and some Saturday afternoons (\$10 per hour).*

Crochet

NEW **Crochet Workshop**—Learn to crochet or work on expanding your crochet skills in this evening class. Jeanne can help you learn the basics and get you started on a project that will get you into the crochet groove. Workshop meets Wednesday evenings, 6-7:30pm. *\$15 per class.*

Sewing

***NEW* Winter Quilt Club**—Join Annissa as she guides you through the process of making a patchwork quilt using the beautiful fabrics from Stitch House. The pattern is a beautiful creation by Amy Butler: *Window to the Soul*. The instruction is free with purchase of materials at the Stitch House. All experience levels are welcome, including beginners. Materials will cost approximately \$85. January 6th, 5-7pm; January 8, 3-6pm; January 28, 3-6pm. January 29th, 3-6pm.

Get To Know Your SEWING MACHINE --Do you own a sewing machine and have a great fear of getting starting or trying more than a straight stitch. Bring your sewing machine, manual (if you can find it!), thread and some scrap fabric for practicing. \$15.

Saturday January 21, 10-11:30pm

Sew Intensive for Beginners and New Sewers – So you want to learn to sew or continue developing your skills? Pick your own project and get started. You will learn how to read and follow pattern instructions, cut out patterns and make minor pattern alterations for a better fit. We start sewing the first week so come with a pattern and fabric ready to go. *This class runs 2 Saturdays for \$75 (does not include materials) Light lunch provided. Students bring pattern, fabric, thread (call or email for more info) January 7 & 14, 10:30am-2:30pm. FULL*

January 28 & February 4, 10:00am-2:00pm

Introduction to Sewing - "Learn to Dress Yourself" This four week class will give you experience in the basics of sewing so that you will have the knowledge and confidence to undertake projects on your own. You will learn how to understand and follow pattern instructions, cut out patterns and make minor pattern alterations for a better fit. In addition you will learn clothing construction fundamentals such as seams, darts, waistbands, zippers, buttonholes and hem techniques. \$75 for instruction, students bring pattern, fabric, thread (call or email for more info).

Tuesdays mornings January 10, 17, 24, 31, 10am-12pm.

Tuesdays February 7, 14, 21, 6-9pm.

Thursdays February 2, 9, 16, 6-9pm.

Alterations - Do you have a closet full of "off the rack" clothes that need to be hemmed or a pair of favorite pants that need a zipper replaced? Bring your jeans, jackets, dresses and skirts and learn to do your own alterations. You will also learn to do perfect hand and machine stitches on your delicate fabrics. Some sewing experience is necessary. \$30. Saturday January 21, 12-3pm. **OR** Thursday January 26, 6-9pm **OR** Thursday February 23, 6-9pm.

Pre-Teens Sewing for Kids Ages 10-12 A special class for pre-teens, this class will focus on making a few small projects to help familiarize the students with cutting patterns and using the sewing machine. Projects will vary: past projects include, PJ pants, tote bags, small quilting projects, and appliqué. After this class they'll have the skills to make great gifts for all their friends. Participants will learn how to understand and follow pattern instructions, cut out patterns, and use basic machine stitches and hand sewing techniques. The first class will introduce the participants to the shop machines. 3 weeks \$60.

Tuesdays January 10, 17, 24, 4-5:30pm. **OR** February 7, 14, 28, 4-5:30pm.

Home Decorating 101: Window Treatments - This 4 week class will provide you with the skills and confidence needed to construct ONE window treatment for your home. You will review the correct way to measure your window to ensure a proper fit. At the completion of this course you will have a functioning treatment and instruction on how to mount and install it in your home. During the series you are welcome to use the shop machines outside of class time, when available, to make another one to compliment the one you'll work on during class time. Wednesdays, January 18, 25, February 1, 6-9pm. \$100.
